

*Congratulations on taking up the
'#FlattenTheCurve' challenge*

I hereby take a moment to abide by my complete service for **#FlattenTheCurve**, an initiative by **Kites Foundation** to battle against the surging Covid-19 Crisis.

I shall follow all the government rules and directions, including SMS, Quarantine and Isolation in case of emergency. I will take responsibility to vaccinate myself and make others aware of the same, and also take a moment in spreading awareness regarding Blood Donation before vaccinating.
